what are we gonna do?

We will be working with Emma Norton Services, an agency that assists battered women, single mothers, and children in the St. Paul/Minneapolis area. We will also be working with other agencies in social services roles, painting, yard maintenance, and wherever else that help is needed.

Our primary focus will be Christ's ministry to other people, but we'll make sure we have a good time too. On Friday we will head north to experience white water rafting, On Tuesday we will visit the Mall of Americas where youth will have the opportunity to shop, go to the amusement park, or do whatever else is offered. On Thursday we will visit historic Cathedral of St. Paul to attend mass after work.

trip covenant

- Respect. Everybody. Everywhere. All the time
 - Be where you are supposed to be, when you supposed to be there.
- Not be where you are supposed to be.
 - Never be alone. Travel in groups of three.
 - Use your head...it'll help you know when you'll have fun for the rest of the trip or if you'll be spending a lot of time at home or with your parents when they come get you.
- Take it all in...you only have this experience once.
 - Be safe on the work-site.
 - Although this shouldn't have to be said...no weapons, alcohol, tobacco, drugs, no skimpy clothes (girls should also follow this rule)
